DEAR FUTURE MEMBER

Going to college is a huge step, especially when you are going to live by yourself in a city in a foreign country you don't know. You have to get to know this new place, and of course you want to make some new friends as soon as possible. We have all been there, and we know it can be hard. That's why we want to make it easier for you! To do so, we have the perfect solution for you:

THE INTROMIX!

The 'Intromix' is a 3 day activity where all new students are welcome to get to know each other. Students who already live and study here will also be there to make sure you will learn everything you need to know about your new city. Our experience is that this is the best way to start your time as a student in Vlissingen. After these 3 days it only gets better, because we have the most awesome parties and activities all year around!

A PIECE OF HISTORY

Back in the days almost every study on the HZ University had it's own student association. The economic studies had 'Cineadus', the future teachers had "t Vloei" and the seafarers had 'Mirfirsto'. Sometimes groups of students would start their own club within the association. This happened within Mirfisto, because a group of students thought the price of beer was too high. At that point 'Marum Bibio' was born.

At some point, because of pressure from the government towards students, a bunch of the student associations decided to fuse into one big association: 'Aqua ad Vinum'. Marum Bibio decided to move with them, but soon they found out that the vision of Aqua ad Vinum wasn't one they shared. That's when they decided to start for their selves. This was such a big success, that soon they would have more members than Aqua ad Vinum.

That's why instead of being part of another association, in April 2005, they started as their own! Their parties got bigger and bigger. Until this day we still throw many of our classic parties like the Beachparty (with jacuzzi of course) and the most awesome party you will ever see from a student association:

THE SUNSET CRUISE

The most unique gala set on board of a cruise ship!

THE AGENDA

FR 03/09/21

You can mark this day in your calendar as the day your time as a student in Vlissingen started. On this day we get to know each other, and your new city. We will show you all the important places, such as bars and useful companies. Of course we will do this in a fun way to make sure everyone has a great start of our 3 days together! When you arrive at the Bellamypark you can drop off your luggage at our Marum sign in point, which you can recognize by a beautiful (blue) Marum-flag.

After the introduction we will leave Vlissingen to go to our camp location, where there will be a meal to prepare you for your first ever Marum party

SU 05/09/21

The last, but certainly not the least, day of our camp! After 2 days of partying we will let you rest a little, collect all your stuff and practice the famous Marum songs. We wouldn't want anyone to get dehydrated, so we will make sure that doesn't happen.

After this final exercise we can relax a little, talk about the experience we had. And if you had a great time, which of course is the case, we have a surprise for you... did anybody say Afterparty?!

SA 04/09/21

On Saturday morning the alarm will go a little bit too early for your likings, but not without a good reason! After a good breakfast we will leave to the sports field for an afternoon full of cool and fun activities. The reason we do this is to create a bond and get to know your fellow first year students better. Make sure you have some clothes that can get dirty for this part.

The day is full of sports activities, but if you don't like to do sports all day we got you covered. At Marum we think about everyone ☺.

After this day full of activities there's only one thing remaining to do: relax! And what better way to relax than have a big party?! The how and when will be revealed later, but one thing is for sure: it's going to be awesome.

DE FLES

Since 2010 Marum Bibio has her own pub which is called 'De Fles'. Under normal circumstances we're open from Sunday to Thursday. During opening hours members come for a drink, a chat or to dance. During the pandemic our goal is to open our doors at least once a week. When we're open, we still have to remain seated but we will expect regulations will change soon.

In 2019 'De Fles' moved to one of our favorite pubs, 'De vrienden van Vlissingen' (aka VVV). This pub is bigger, renovated and ready for plenty of parties. When the restrictions are over, we will be ready to start with our regular evenings, parties and activities again and thus create another unforgettable year.

CEDE MAIORI

We are Cede Majori, the men's sorority of Marum Bibio. Cede Majori originated from a group of friends who wanted to get together more often, strengthen the friendship and drink beer. Drinking beer is what these men do best!

We get together once every two weeks on Sunday in De Fles. After the drinks we will party with everyone until the sun comes up! Ofcourse one drink every two weeks is not enough, therefore we also join 'happen en stappen' on Thursday's. During 'happen en stappen' we eat dinner with the student association and party afterwards. The way to a man's heart is through his stomach ;).

It is of course great fun to party, but organizing one is even more fun. Therefore, we organize a themed party once a year with the women's sorority Voluptas. Besides this we organize a beer tasting and the so called 'foute kersttruienfeest'. A pleasant evening with Cede Majori is always guaranteed!

VOLUPTAS

We are the women of Voluptas. We're the only female sorority in Vlissingen and part of Marum Bibio. Voluptas has been founded by a group of friends who wanted to represent the woman's voice and simply have fun together. Every other week we organize drinks for members only. We enjoy drinking lots of wine and bites. We spend our time having a lot of fun talks, gossiping as well as playing games.

Besides drinking and gossiping we do a lot of other activities. We also do 'happen en stappen' once a month in our sorority-clothes and we attend the parties and events that Marum Bibio hosts. Together with Cede Majori we host our annual sorority party. The men of Cede Majori are mostly our rivals, but sometimes we like to have drinks together.

We organize events and parties outside of MARUM as well. We celebrate birthdays together and do our annual women's night (no men allowed ;))

Would you like to spend your time here with us? Join the introduction camp of Marum Bibio and sign in to be a member of the student association! Who knows maybe you will be invited to one of our drinks!!

JOIN OUR COMMITTEES!

Our fun activities aren't organizing themselves, so that's why we have all sorts of fun committees! Below you can see a short overview of all our committees and don't be afraid to join one! You can even earn studypoints with them ;-)

⚓ THE PARTY COMMITTEE

Are you not averse to having a party? Do you have original ideas to make the party even bigger and better? Then the party committee is looking for you!

THE EVENTS COMMITTEE

⚓ Are you good at organizing and are you bursting with new ideas? Do you want to help organize a variety of events? Then join the event committee and help organize the Cantus, Bierbeleggen or Oktoberfest!

THE 'SOOS' COMMITTEE

⚓ Together with the other members you will be keeping Marum Bibio's pub running in Vlissingen. You will be providing members with beers and will continuously improve De Fles, which is a big responsibility! Do you think you can contribute to this? Then you will feel at home in this committee!

THE STICKER COMMITTEE

⚓ This sticker committee is a new unique addition to our student association that you won't see anywhere else! Our goal is to keep people involved in Marum in a refreshing way. We do this by, among other things, hiding stickers around Vlissingen every week that can be found by using hints and good detective work. Have you found the sticker? Your prize is 5 free beers in our pub 'De Fles'!

⚓ THE COMMUNICATION COMMITTEE

The communication committee takes care of all communication inside and outside of Marum. This includes the promotion of the association online and at physical moments (such as open days and events), but also finding, contacting and retaining sponsors. You will learn lots within this committee. Do you like to promote? Can you use Photoshop or would you like to learn how to use it? Or do you like to get in touch with companies and stakeholders and arrange benefits for the association? Then think about joining the communication committee!
